WORKING WITH PERPETRATORS OF DFV

TRAINING

CHIA NSW is currently exploring training options to deliver in relation to engaging with perpetrators of DFV. Such training will be tailored to CHP staff and can be customised to suit the specific needs of different organisations.

PLEASE CONTACT

Catherine Tracey, Head of Learning and Development

CatherineT@communityhousing.org.au for more information and to discuss your needs.

For more detailed training in relation to DFV and engaging with perpetrators the following training options are available:

- Education Centre Against Violence (ECAV) Practical Skills in Responding to People who Experience Domestic & Family Violence (4 days)
- ECAV Essential Skills in Male Family Violence Intervention training (5 days).

Please see the ECAV website for more information: <http://www.ecav.health.nsw.gov.au/>
